Why sponsor a Homewood Chamber event?

- Sponsors have the opportunity to meet the speaker, address the audience and, most importantly, attach your corporate identity to an event.
- Events give your company the publicity and brand recognition you need in a positive and receptive environment with the one on one marketing aspects of the Homewood Chamber events and seminars.
- Sponsorship creates awareness for your services and products to potential clients and business professionals
- Over 1,000 members and Homewood residents (including influential corporate leaders; mid-level managers; small business owners; entrepreneurs; young professionals; media personalities; educators and political figures) attended Homewood Chamber events last year.
